

Zudeco® DECO Bowl – Multi Purpose Contemporary Planter

- **Deco Water feature / fountain reservoir**

The Zudeco® bowl can be used as a sump or reservoir for a fountain or water feature. By simply placing a paver slab on top of the reinforced points of the bowl, you can have an instant base for a water feature or fountain. The bowl features 3 x 3/4" BSP brass sockets underneath for easy connection of fittings

- **Deco Planter Bowl**

Stylish contemporary style planter bowl. Simply cut out the support tray from inside the bowl to create an elegant large planter. 1195 x 389mm capacity 135 litres

- **Herb planter insert**

Sold separately, the self watering herb planter insert allows a multitude of herbs or perennials to be planted
